

PINE HOLLOW COUNTY SCHOOLS - PRIOR WRITTEN NOTICE

Date: December 4, 2025 Student: Maya Okafor Date of Birth: 04/19/2013 School: Cedar Ridge Middle School

To: Grace Okafor, 72 Laurel Court, Pine Hollow, NC 27999

Action refused

On November 10, 2025 the parent requested, in writing, an independent educational evaluation in the areas of speech-language and written expression at public expense, stating disagreement with the evaluation dated May 6, 2025. The district declines to fund an independent educational evaluation.

Explanation

The district considers the May 6, 2025 evaluation to be appropriate. The district will conduct its own assessment of written expression during the spring 2026 reevaluation window.

Other options considered

Funding an independent evaluation in speech-language only. Rejected because the district evaluation in that area is current.

Evaluation procedures, records and reports relied upon

Speech-language evaluation dated May 6, 2025 (A. Lucero); IEP dated August 21, 2025; classroom work samples.

Procedural safeguards

A copy of the Handbook on Parents' Rights is enclosed. If you disagree with this decision you may request mediation, a facilitated IEP meeting, or a due process hearing through the North Carolina Office of Administrative Hearings.
