

RIVER OAK UNIFIED SCHOOL DISTRICT - PRIOR WRITTEN NOTICE

Date of notice: March 12, 2026 Student: Jordan Rivera Date of Birth: 11/03/2017 School: Willow Creek Elementary School

Parent: Dana Rivera, 1418 Alder Street, Willow Creek, CA 95833

IEP team meeting date: March 12, 2026 (parent-requested review)

1. Action refused

The parent requested that the annual reading fluency goal (Goal 1 of the IEP dated September 8, 2025) be revised. The IEP team declined to revise the goal.

2. Explanation

The team determined that the goal remains appropriate and that Jordan is making progress toward it, as reflected in the progress reports dated November 14, 2025, January 23, 2026 and March 6, 2026. The team will review the goal at the annual review in September 2026.

3. Other matters discussed

The parent requested a reevaluation of Jordan's reading skills in writing on December 2, 2025. The District will provide an assessment plan.

The parent raised the delivery of specialized academic instruction. The District acknowledges that the small-group reading block was discontinued in October 2025 owing to staffing and that specialized academic instruction has since been provided within the general education classroom. Compensatory services were not proposed at this meeting.

4. Evaluation procedures, records and reports relied upon

IEP dated September 8, 2025; progress reports dated November 14, 2025, January 23, 2026 and March 6, 2026; teacher report (T. Okada); education specialist report (P. Nair).

5. Procedural safeguards

A copy of the Notice of Procedural Safeguards is enclosed. You may request mediation or a due process hearing through the Office of Administrative Hearings.

Marcus Ellison, Director of Special Education, River Oak Unified School District
